☆☆☆ Integrity ☆☆☆

Liliana Truti

She always makes sure her tasks are completed by the deadline come what may. As in payroll, there is always a lot of stress and pressure of deadlines. But Liliana always makes sure all employees are paid on time even if she has to work extra to make that happen.

★ ★ ★ Collaboration ★ ★ ★

Nicola Faulkner

Since joining the team, they have been a great support and always available when needed. They act as a team player.

☆☆☆ Respect ☆☆☆

Natasha Saulick

I could have picked any of the 6 values but have focused on this one because of the consistently high level of precision and professionalism Natasha brings to the CPD funding work that the Training Hub does. The funding tracker is a perfect example of Natasha's data skills and is a highly valued tool to record and report on this funding. As we approach the end of the financial year, individuals, practices and PCNs rely on this data to check what their eligible staff have spent or have left to spend. It is also used for reporting back to NHSE and for updates throughout the year. It keeps us on track with all of the trainers that we commission to provide training. All designed by Natasha.

★ ★ ★ Kindness ★ ★ ★

Karen Seeley-Davies

Karen shows kindness towards her colleagues, her patients she supports and other care professionals, always ensures everyone is okay with the workload, is happy and helpful when needing support and answering questions and is approachable and friendly.

&

Karen has always been there for her team - she has shown me personally great kindness and support when I was facing difficulties at work and my personal life - she always listens and shows great level of empathy and supports every way she can. She has made our team an amazing bunch of colleagues and has worked so hard on all our projects and is always supporting us with our ideas and therefore making us feeling valued. I hope this is noted somewhere even if she doesn't get enough nominations as we are such a small team.

☆☆☆ Empowerment ☆☆☆

Natalie Fuller

Whilst Matt has been off sick Natalie has stepped up to make sure that our ARRS service and business support continues seamlessly for our PCNs. She has gone without annual leave at half term to make sure that the service was delivered

★★★★★ Trust ★★★★★

Magda Lupu

She is excellent at her job, and I can always trust her to face any challenges and resolve them (seeing all perspectives). Not sure what I (we) would do without her!!
